Alura Lux

BY NHTGlobal

Alura Lux is a NEW and IMPROVED formulation of our top selling lifestyle product Alura by NHT Global. Containing the same key combination of menthol and L-arginine and fully patented, Alura Lux maintains the same key ingredients and full-body benefits - now without the use of parabens.

Since 2001, Alura has been sold in more than 40 countries and has positively impacted the lives of millions of customers around the world. Created by Board Certified doctor, Dr. Ronald J. Thompson, this revolutionary cosmetic gel instantly refreshes and moisturizes skin and gives you an exhilarating “cool tingling” sensation where it is applied.

THE SCIENCE

Alura Lux's unique formulation consisting of L-Arginine and Menthol is **based on the 1998 Nobel Prize** winning discovery of nitric oxide as a signaling molecule.

EXCLUSIVITY

*Alura Lux is sold exclusively by NHT Global.

ALURA LUX IS PERFECT FOR HOME, TRAVEL, OR ON-THE-GO!

It's available in two sizes - a small sample or travel box containing 5 single use pillow packs, and a convenient 17 ml pump bottle that can fit in your purse.

RECOMMENDED USE

Apply gel to fingertip and massage thoroughly onto the desired area.

INGREDIENTS

Purified Water USP, Propylene Glycol USP, Hydroxyethylcellulose NF, L-arginine USP, Citric Acid USP, Menthol USP.
