BEAUTY

BIOCELL MASK

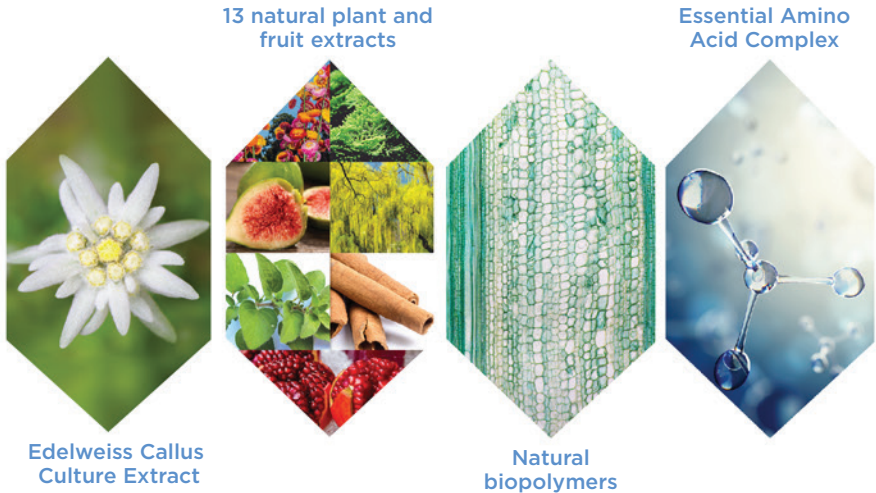

Have you ever stopped to count the number of beauty products you use in a single day? For many of us, our skin care regimens seem to grow more complex over time and often consist of products we don't even need. Multi-functional products are a great way to address our skin's diverse needs while also streamlining our daily routines.

NHT Global's BioCell SC is a powerful multi-tasking facial mask that provides the support and protection our skin craves day in and day out. Its revolutionary coconut juice-derived bio-cellulose sheet is the world's first patented facial beauty mask of its kind and is made with tissue fibers 500 times finer than general plant cellulose for remarkable absorption power. Infused with beneficial plant and fruit extracts, amino acids, and antioxidants, it works on the skin quickly to treat the appearance of multiple visible signs of aging. BioCell SC helps hydrate and moisturize, brightens, and rejuvenates tired skin to reveal a more youthful looking you, all in one proprietary and effective formulation.

KEY INGREDIENTS

- **Edelweiss Callus Culture Extract** is a plant stem cell known for its excellent regenerative properties
- **Fermented Coconut Juice** supplies nutrients and vitamins to skin cells and conditions the skin
- **13 natural plant and fruit extracts** pack a powerful punch of antioxidants to protect against free radical damage
- **Essential Amino Acid Complex** consists of 16 amino acids that nourish and restore moisture to skin
- **Natural biopolymers** provide long lasting lifting and firming effects

KEY BENEFITS

- **Patented** (Korean patent No. 0405776, 10-0899502, 10-0910747)
- **Deeply hydrates and moisturizes** to leave skin softer and smoother
- **Soothes and calms** skin that has been exposed to pollution, stress, or too much sun
- **Helps reduce the appearance of pores, fine lines, and wrinkles**
- **Brightens and re-energizes** the skin's appearance in just 20-25 minutes

DIRECTIONS FOR USE

- 1 | Cleanse face removing makeup, dirt, and oils.
- 2 | Gently unfold and remove mask from foil pouch and peel away plastic sheet.
- 3 | Apply the newly exposed BioCell SC Mask side to your face. Then, peel away vinyl sheet attached to the opposite side of mask.
- 4 | Leave mask on skin for 20-25 minutes, then peel away mask and massage remaining essence gel into skin allowing it to absorb completely.

CAUTION

Not intended for internal use. Avoid using on wounds or skin with eczema or inflammation. If you are allergic to the product, please stop using it and consult physician immediately. Keep out of reach of children. Store in a cool, dry place and away from direct sunlight.

FULL INGREDIENT LISTING
